PIRATE TREASURES OF 1981

The Education System...
The Place in which to learn.

Here's to the "Z",
Who Has Our ADMIRATION,
for sticking to it firm!

He told us we *loved* Calculus.
Something about "Pounding it in our heads."
A shudder - Oh, more long nights studying,
Wishing we were tucked in our beds.

But truthfully, Mr. Sehmel.
We see the reason why.
The Number One Scholastic Team!!
Right here, from ole *Butte High*.

Nothing ventured, nothing gained.

You instilled in us desire,
To work for what we earn.
To set our goals much higher.

We will have many a fond memory,
Of the things we passed through here.
Your "fairly good" game predictions!
Your countdown, through the year.

But most of all, the chance to learn,
To find our place among the rest.
With Confidence and Knowledge, giving credit
To the Man behind the desk.

Thank you!

The Students of Butte High

Schnel

Our Scholastic team had an undefeated season. We competed against such tough teams as Sugar-Salem, Bonneville, North Fremont, and Ririe. For the second year in a row we advanced to finals and were seen on KID TV. We won first place, defeating 20 larger schools for this honor.

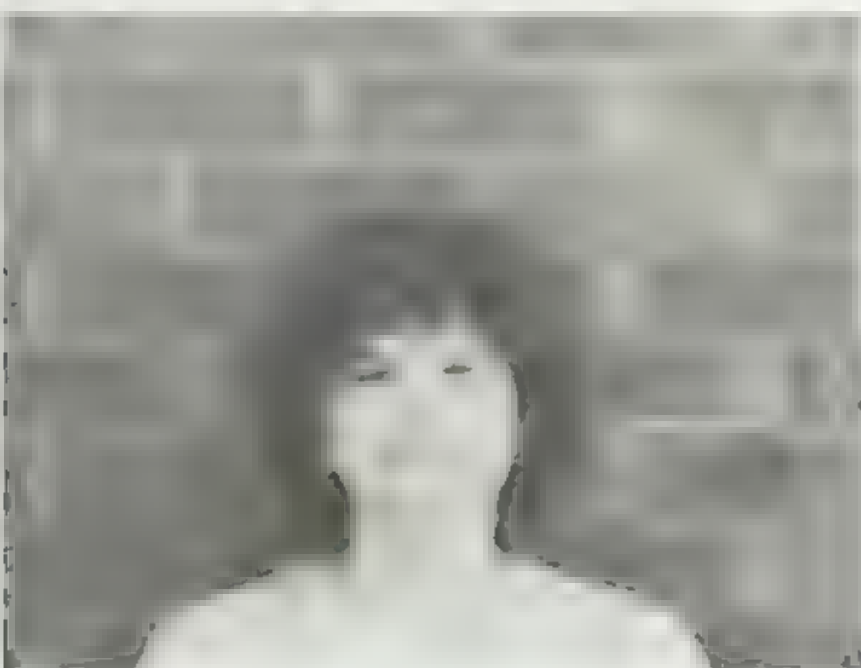

STATE SPEECH

Pictured left to right: Mary Baird, our male Debate Coach, Jim Williams and Diana Lofgren

80-81 was a very good year for our Speech and Debate Departments. In late March six teams traveled to Rexburg to participate in the district tournament. Three teams qualified for state debate with Diana Lofgren and Mary Baird finishing second in the district. Our teams did well at state with Diana and Mary finishing second in a field of 60 teams.

Helen Stonhill, 4th in salesmanship at State Decamation

In April approximately 30 students from Butte High participated at district speech. We had a phenomenal ten district winners who qualified for the state tournament in Boise. The competition was fierce, but we made a great showing with everyone receiving either an excellent or superior overall rating. Helen Stonhill finished fourth in the salesmanship competition.

EAST IDAHO FEDERAL CREDIT UNION

friendly, efficient, service by Carol and Karon

JOHN'S AUTO ELECTRIC

a best friend to motorists and to Butte High School

we'll be here tomorrow.

Atomic Workers Credit Union has been around since 1954, and in those 27 years we've served the needs of a lot of INEL site employees.

Along the way we've grown to \$40 million in assets and pioneered some financial services that others have only recently been able to copy: simple interest loans, plain English loan notes, interest-bearing checking accounts, Visa debit cards

But more than anything, we've grown in our desire to serve our members. And though we serve over 23,000 of them all over Southeast Idaho and the U.S. - and even in many countries all over the world - none of our members are more important than those right here in Arco

That's why we're here in town. And that's why we'll be here tomorrow, and the next day, or whenever you need us.

We're your Credit Union. Atomic Workers Credit Union
